A GLIMPSE

"A GLIMPSE" — A RECOLLECTION, A FLASH-BACK, A PEEK AT THE LAST THREE YEARS.

Flip through a chapter of our generation; a glimpse of happiness, pain, and many memories. Scenes from when you first stepped into school in awe. Laughter fills the hallways during lunch. Tears shed on our final days. We invite you to relive the highlights, cherish the memories, and celebrate the bonds that bind us together.

Cheers to the Class of 2024 - This is a glimpse of our story.

FOREWORD BY YEARBOOK COMMITTEE ADVISOR

APDRIE C. J. NITBANI

Dear Class of 2024,

It is a great joy to see you reach this milestone in your journey of life.

As you turn the pages of this yearbook, let the memories bring a smile to your face and remind you of how God has been so good and will continue to be so for the rest of your life. Don't stay reminiscing for too long though, since after all, a glimpse is meant to be only a brief look, a split second, a fleeting view of the past. After that, lift your gaze up and continue the rest of your journey with renewed energy.

I pray that you will diligently seek the greatest treasure, a relationship with God, which gives the highest pleasure, even though the journey to it is the hardest. So, trust in the Lord with all your heart, and do not lean on your own understanding.

Wishing you all the best in your future endeavors!

FOREWORD BY HEAD OF YEARBOOK COMMITTEE

ALLEXYS ZYLVA AZALLYA

To the Class of 2024,

Congratulations! We've reached the end of our high school journey. It has been a blast spending these years with all of you. Thank you for the laughs, the tears, and the countless memories we've shared. These moments have truly made our high school experience unforgettable.

As we come to the end of this chapter, welcome to the culmination of our year's memories, captured within the pages of this yearbook. Each photograph and caption holds a story waiting to be told. I hope you can catch a glimpse of our high school as you flip these pages. Wishing you all the best and may each of us find fulfillment in our calling.

I also want to thank my fellow Yearbook Committee members. Thank you for your dedication and hard work throughout this project. I hope this yearbook serves as a keepsake of our three years of high school memories.

Good luck on the next chapter of your lives, my friends!

With warm regards,
Allexys Zylva Azallya

FOREWORD BY ACADEMIC ADVISOR

ARRHENIUS PETWIEN GUNDE

This is it! We are now in the final chapter of our academic year 2023-2024. Time flies so fast, doesn't it? It is with great joy that I congratulate you on your graduation.

You have worked hard and now you get to enjoy the sweetness of the fruits of your perseverance. As your Academic Advisor, I am so proud of you. I can't help but remember our wonderful time together, including our devotional time, when we prayed and learned about God. I am proud I got to become your father in some ways. As you go forward, take with you all the good things that you have learnt from me, and leave the bad things behind.

As Job said, "far from human dwellings they cut a shaft, in places untouched by human feet; far from other people they dangle and sway. They tunnel through the rock; their eyes see all its treasures." (Job 28:4, 10). The key to your success is seeking wisdom. So, study diligently, respect others, ask for wisdom and insight from those who are well-experienced. Let your life be guided with Godly wisdom and virtues. I hope you behave well wherever you may end up in the future, do to others as you would have them do to you. Look up to the Almighty for His blessing to you, for without Him, everything is impossible. Bear fruit and produce the seeds of love, justice, and peace.

Have a brighter and more joyful future, God bless you.

What an experience it has been to be your Academic Advisor throughout your three years at UPH College! Pak Kevvin and I have found them to be a duty and delight from the day we welcomed you into this school through an online setting in Zoom, until the day we both send you atop the graduation podium.

Transformation and growth are easier said than done. On your side, we're sure you have learned it during those times when you had to plan your personal goal settings, plan your approach to it, revise along the way, until the day you finish your race at UPH College.

On me and Pak Kevvin's side of things, we had to change and grow as we understood more about the Lord and all of you. We would also like to apologize if there were any of our words and thoughts that have not found favor in you. Just as you are transforming and growing, so are we.

As you venture into your new areas of interest and grow to become successful in your respective fields, our hope for all of you is that you may grow in the fear of the Lord and to seek the welfare of those around you. The world is waiting to receive what you have to offer, so go out there and thrive.

Finally, we will leave you with one quote from C.T. Studd, a famous missionary who had said these words, and we quote,

"Only one life, it will soon be past,
Only what is done for Christ will last."
Thank you, and may God be with all of you.

As I reflected on our time together over the past few years as one family, one word came across my mind: Kairos. Throughout our journey, we've encountered countless Kairos moments that have our experiences and left an indelible mark on our hearts. We've experienced moments of joy, laughter, triumph as well as moments of challenge, growth and even sorrow. But through it all, we've stood together, united by a shared sense of purpose and belonging.

As your academic advisor, I've had the privilege of witnessing these Kairos moments being unfold, of seeing each one of you in your own life and the lives of those around you. Whether it was through your academic achievements, your acts of kindness, or your unwavering support for one another, you have continually demonstrated the power of embracing the present moment and making it count.

To my dearest L304 students, thank you for allowing me to be a part of your Kairos moments, for inspiring me with your resilience and determination, for challenging me to be a better educator and for leaving an indelible imprint on my heart. As you step into the world beyond these walls may you continue to seek out and embrace the Kairos moments that await you and may they guide you toward a future filled with purpose, passion and endless passion and the joy of the living God.

With heartfelt gratitude and warmest wishes,
-Bu Nat

Hello guys!

In this opportunity, I, as the Academic Advisor of L307 would like to wish you all congratulations on your successes.

"ALL BY HIS GRACE" is only right to be said by us about on your success and graduation. Now is the time for all of you to move on to a higher level of education, which is university.

Please understand that the journey of life that you must go through in the future is still long. The journey of life is not an easy road to tread on, and surely requires wholeheartedness, responsibility, along with faith and hope in the Lord Jesus Christ. REMEMBER! People who have hope are people who have everything. Hence, remain optimistic in facing all trials/tribulations or hardships. For there is the hand of God who will hold and guide you always, forevermore.

If one day you come across wavy, steep, and rocky roads that make you tired to the point where you find reasons to quit, remember that you have promised to chase that dream.

Hopefully the devotions that you have received every day, beautiful memories, and the laughs and cheers we have in class become the driving force for all of you to go on and achieve your bright futures for life is not a draft backwards but a step forwards. To fulfill your aspirations for your success is my joy.

I apologize if I have not yet become the best Academic Advisor as you have hoped. Thank you for all the times we have had together, I did learn a lot from all of you.
I'm gonna miss you guys so much!
Thank you.

God bless you all.

While looking at the memories preserved in this Yearbook, let's pause to consider the transformative journey you have experienced together. At the beginning of the last academic year, I quoted a verse from 3 John 1:4 to you: "I have no greater joy than to hear that my children are walking in the truth." At this moment, I express my gratitude to God for the increased happiness that I feel in seeing your development in various areas of life and for being with you in this special moment.

Every day, warmth is brought by 39 individuals in a small classroom. Each of you is precious in God's sight, as well as in mine. Each of you has contributed in your own unique way, leaving behind a legacy that will be remembered for years to come. We have rejoiced in each other's accomplishments, stood by one another during difficult times, and created strong connections that will endure forever. Thank you for always supporting each other. May the love, grace, and mercy of God overflow abundantly upon you. May God be with you until we meet again.

"Be strong and courageous. Do not be afraid or discouraged, for the Lord your God will be with you wherever you go." - Joshua 1:9

Dear Students,
For everything there is a season, and a time for every matter under heaven (Ecclesiastes 3:1).

In our journey, I am thankful to God for the time we have spent together. In this school, you've absorbed countless lessons and teachings. My prayer for each of you is that you hold these lessons close to your heart.

As you continue your journey, remember that you are not alone. God walks beside you, lighting up your path with His light and love. Trust in His guidance and may His Truth lead you to a future filled with hope, joy, and abundance.

Ephesians 3:18-19

And may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep Christ love is.
May you experience the love of Christ, though it is too great to understand fully. Then you will be made complete with all the fullness of life and power that comes from God.

Love,
Dwie Astuti

Dear beloved L310,

I thank God for giving me the chance to be your AA, no matter how short our time together is. I wish I had more time to get to know each of you personally. Looking back, I'm sure 3 years at UPHC have been a whirlwind of events and emotions for you. I applaud you guys for doing your best and growing yourselves into a better person during your study here (except for your complaints when our closing lasts for too long (which I don't think so lol), leaving your Bible and devotion book behind, and so on). Well, I hope you guys take the right teachings from the devotions, AA sessions, chapels, your classes, internal house events, and everything else we experienced at UPHC and hold them close to your heart. Stay curious, engage more with your surroundings, and remember: "do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go." (Joshua 1:9 NIV)

Lastly,
jam 7 mulai devotion,
di F suka dingin kalo pagi.
I extend my utmost congratulations,
dan sampai ketemu lagi!

With heartfelt blessings and prayers,

Apdrie

The AA community is a home. A home for those who are joyful and a home for those in sorrow. A home for tears and a home for laughter. Everything becomes one and continues to grow into a journey of faith and understanding of God. Through this, I realize that time spent with AA is precious. Seeing every student laugh and being able to make the right decision with a maturity of faith that brings deep joy. The most precious moments in our monthly birthdays are our fellowships, where we share the same lunch, such as Nasi Padang, for example. Of course, class L3I1 doesn't run with just me as the Academic Advisory. There are class representatives Audrey Marvella and Jason Verell Chenjaya who serve as class treasurers and are very helpful. Not to mention the small group leaders, Alicio, Ardenia, Hugo, Rafael, Sansan, Kent, and Roman, who have greatly helped coordinate the small groups. I believe you who have learned to lead in class will be used by God extraordinarily in the next journey. Keep the spirit up, F1I1, S2I1, and L3I1, the journey that brings you to meet me is like vinegar and salt meeting in a pot. God bless.

My dearest L313,

Thank you for fighting alongside Christ over the past 3 years. Thank you for growing together in this place. I'm very grateful that each of you has been able to progress so much here. You'll learn even more out there. So, stay humble and let each of you be a channel of blessings from God for this nation. Keep holding onto God's word wherever you go. Always remember, the God who has been with you in high school is the same God who will always watch over you.

There are many things that Bu Mey will miss. The noise you make before starting devotion, your rush when closing, your enthusiasm during house events, your laughter when Bu Mey jokes even though it's lame, our English lessons every AA session, your reactions when being scolded, your bad moods when facing difficult quizzes, your joy on phone return day, and your cheating during inter-care group games. Bu Mey will miss everything, and now Bu Mey can only look at your photos in front of Bu Mey's computer. Hopefully, God will reunite us someday, my dear ones.

Menyala abangku! May God accompany you throughout your life journey.
